Tujuan KM

- to help prevent possible knowledge loss (e.g., leaving organization, turnover, retirement)
- to gain greater competitive advantage
- to reorganize the company
- to remedy negative findings discovered during an audit
- continuous learning
- to prevent low knowledge diffusion, isolation of departments, individuals, or community partners
- to coordinate with other firms/suppliers/customers
- to increase the quality of professional services
- to help meet users' needs

KM Strategies

- **Simple mechanisms -** training, workshops, mentoring/apprenticeships, and interviews.
- **Communication technologies**
- **Conceptual frameworks & Process mapping**
- **Communities of Practise** (CoP)
